

# VILLAGE OF ST. LOUIS COMMUNITY HALL RENTALS

## RULES AND REGULATIONS TO GROUPS RENTING THE COMMUNITY HALL

The Community Hall is a smoke free building and any smoking is strictly prohibited.

There is a \$100 deposit required to have your date booked. Until this \$100 deposit is paid, your date is not confirmed. This deposit is non-refundable, with no exceptions. The key can be picked up the day prior to your event from the St. Louis Village Office. When you pick up the key, the remaining balance of the rental fee must be paid in full. Also, when picking up the key, a \$150 damage deposit is required, that will be refunded after the event and inspection by Village staff.

The Community Hall will be stocked with garbage bags for your use. The washrooms will be stocked with paper towels and soap. Mops and brooms are available at the Hall, for your use in case of minor emergency spills. The Hall is complete with freezer, coolers, fridge and stove equipment. No cleaning is required by lessee upon vacating, except the following: clean off tables of garbage, glasses and bottles; take all bagged garbage out to the bin at front of Hall; clean oven (if used); remove all empty bottles and personal items; turn off water to urinals in men's washroom and unplug all coolers, freezers and the soft drink dispensing machine. Clean any broken glass from exterior of building.

The Hall rental also includes use of two coffee percolators and a soft drink dispensing unit (premix and CO2 not included) but all other supplies must be supplied by the lessee. This includes all dishes, bowls, utensils, pitchers, can openers, premix soft drink canisters, CO2 tanks and ice.

The use of sparkles, glitter, confetti or such items is prohibited in the Community Hall. Tape used on walls, tables and floors is to be restricted to masking tape only. No scotch tape or duct tape permitted. Use of these items will result in a clean-up fee being charged.

Any damage done to the Hall by the lessee or guests of the lessee is the responsibility of the lessee to repair or replace.
