2025 ASSESSMENT ROLL

COMMUNITY GRANT PROGRAM

Community service groups, please be advised that the Community Grant Program is now accepting applications from local service clubs and groups that require funding for sport, culture and recreation programs that they are planning between April 1, 2025 and March 31, 2026.

Application forms are available from the St. Louis Village Office. Groups that received funding last year will be sent the application package.

This grant program is available to all groups in the community, especially programs or events that target sport, culture and recreation programs that represent under-represented populations, such as: seniors, indigenous people, economically disadvantaged, women, persons with disabilities, youth at risk and single parent families.

For more information or to see if your program will qualify, contact the St. Louis Village Office.

Notice of Preparation of Assessment Roll

Notice is hereby given that the Assessment Roll for the Village of St. Louis for the year 2025 has been prepared and is open to inspection in the office of the Assessor from 8:30 A.M. to 12:00 P.M and 1:00 P.M. to 4:30 P.M.:

Monday to Friday, beginning Friday January 24th, 2025 to Friday March 28th, 2025, except for Monday February 17th, 2025.

A bylaw pursuant to section 214 of *The Municipalities Act* has been passed and the assessment notices have been sent as required.

Any person who wishes to appeal against his or her assessment or classification to the Board of Revision is required to file his or her notice of appeal, accompanied by a \$25.00 appeal fee, which will be returned if the appeal is successful with:

Secretary Kara Lindal – Board of Revision
Village of St. Louis
c/o Western Municipal Consulting Ltd.
Box 149
Meota, SK.
S0M 1X0

by the 28th day of March, 2025.

Dated this 24th day of January, 2025.

Robin Boyer
Assessor

ST. LOUIS SKATING RINK BOARD

The St. Louis Skating Rink Board would like to thank all patrons and users of the St. Louis Skating Rink this past season. Your continued support helps to ensure the facility can continue to operate and provide recreational programs and opportunities for our community and surrounding area.

The Skating Rink will be shutting down operations on March 15, 2025, so please enjoy the free access to public skating and shinny over the next couple of weeks.

River's Edge Villa—Saturday @ 2:00 PM

Anglican Services

Emmanuel Church Sunday Worship
Services are at 9:30 a.m. Everyone is
welcome.

STREET LIGHTS

If your street light is not working contact
Sask Power at saskpower.com and follow
the links or call 1-888-757-6937 or contact
the Village Office.

SPEED RADAR SIGN

The speed radar sign is set up at the entrance of the community on Highway # 25, as we have had a significant amount of speed violations over the past number of months in that area. **Remember that the speed limit as you enter the community is 50 km/h. 70% of vehicles were violating the speed limit in that area, this month.**

Please drive within the posted speed limits (40 km/h) on all municipal streets. Thank you for your cooperation.

Thank you for keeping our community and streets safe for everyone.

MUNICIPAL WATER & SEWER UTILITY RATE INCREASES FOR 2025

The Village of St. Louis will be increasing the rates charged for water and sewer service for 2025, in accordance with the municipal waterworks rate schedule approved in 2016. The basic rate for 5,000 gallons of usage in a three month invoicing period will increase to \$135.00 per quarter (a \$1.67/month increase over 2024). Residential & Commercial sewer rates for 2025 will remain at \$70 & \$115 per quarter, respectively with no increase. The per 1,000 gallon price charged to consumers, who use over the 5,000 gallon minimum in a three month period, will increase for 2025 to \$22.73 per 1,000 gallons.

The quarterly infrastructure fee charged on all accounts will remain at \$50 per quarter. This fee is collected and used to help offset future capital repair and replacement of the waterworks infrastructure. Residential customers can expect minimum use (under 5,000 gallons) invoices to be at \$306.00 per quarterly invoice. Average households that use around 10,000 to 12,000 gallons in a month can expect quarterly invoices of around \$420.00 to \$465.00. Commercial customers will see minimum quarterly invoices of \$351.00.

These quarterly utility invoices will continue to include water usage fees, sewer fees, infrastructure fees and all monthly waste/recycle collection and disposal fees. The new rates will be reflected on all March 2025 utility invoices and are necessary due to increased operational costs of water and sewer facilities and infrastructure.

The Provincial government regulates and approves all water and sewer utility rates for municipalities to ensure that the utility is self-sufficient and does not rely on other municipal funding sources, including taxation and general revenues to cover water and sewer operating and capital expenses. These expenses must all be covered with revenue generated by the water and sewer rate structure to consumers.

Also, please note that water and sewer accounts are due when rendered and if rates remain unpaid after 20 days from the date of mailing that the Village has the right to discontinue service without notice and a fee of \$10.00 will be charged for re-connection. The Village does not currently charge interest on past due accounts but is looking at this as a future option. Unpaid utility accounts can be added to taxes on a property and collected through tax enforcement procedures, if required. These are not options that the Village wishes to explore, so it is asked that all consumers please keep their accounts current. The Village is not in a financial position to carry outstanding balances on accounts for customers.

Thank you for your co-operation and understanding.

COMMUNITY CARE

St. Louis Village Council would like to remind residents that the care and upkeep of our community is a continuous year-round process. Residents are asked to ensure that:

- All trees/hedges/shrubs/branches are contained within property boundaries to ensure the pedestrian lanes on sidewalks are free and that there is not any encroachment onto driving portions of streets and alleyways. This helps facilitate municipal maintenance efforts for both grass cutting and snow removal.
- All waste is properly disposed of and not allowed to accumulate on their property.
- All pets are kept under control and not allowed to roam freely off their property.
- All dogs are cleaned up after, while being walked on municipal streets, parks and property not that of the owner.
- Municipal traffic signs and speed limits are adhered to.
- On street boulevard area parking is done parallel to the driving portion of the street and in the same direction as traffic flow. No angle parking.

St. Louis Village Council thanks you for your cooperation in taking pride in the community you live in.

Village of St. Louis – Mayor & Council

DEVELOPMENT & BUILDING PERMIT REQUIREMENTS

The Village of St. Louis requires property owners or contractors to obtain a Development Permit and a separate Building Permit when considering any type of development or construction on any residential, commercial/industrial or agricultural lot within the Village of St. Louis municipal limits. Each of these permits is subject to various fees, depending on the nature of the project.

The Development Permit ensures that all regulations contained within the Village of St. Louis Zoning Bylaw and Amendments are met before any development or construction can occur.

The Building permit ensures that all construction is carried out in accordance with the Village of St. Louis Building Bylaw and all applicable current National Building Codes and Provincial Legislation.

A Development Permit & Building Permit ARE required for:

1. Residential Dwellings - single or multi-family;
2. Commercial/Industrial or Agricultural Buildings;
3. Additions to Residential Dwellings;
4. Additions to Commercial/Industrial or Agricultural Buildings;
5. Residential Basement Development - rec. rooms, bedrooms, bathrooms, etc.;
6. Any Structural Modification to a Residential Dwelling - single or multi-family; or any Structural Modifications to a Commercial/Industrial or Agricultural building;
7. Attached Garages or Carports;
8. Detached Garages or Carports;
9. Storage Sheds in excess of 100 square feet in area;
10. Decks, Exterior Stairs and Landings, Wheelchair Ramps;
11. Fireplaces
12. Fences – restrictions on height and location do apply

A Development Permit & Building Permit ARE NOT required for the following uses, provided all other provisions and regulations of the Village of St. Louis Zoning Bylaw and Amendments & Building Bylaw are complied with:

1. Storage or Accessory buildings under 100 square feet in area;
2. Sidewalks – on private property only;
3. Replacement of most existing building components that do not include structural alterations, including:
 - a) shingles
 - b) doors and windows, if sizes remain as original
 - c) siding, stucco, brick veneer
 - d) kitchen cabinets
 - e) gyproc wall finishes
 - f) painting, wallpapering
 - g) carpet, linoleum;

NOTE:

- For sewer and water installations, replacements, a separate Plumbing Permit may be required.

New legislation in the form of *The Construction Codes Act (CCA)* and subsequent *Building Code Regulations*, *Energy Code Regulations* and *Plumbing Code Regulations* came into force in 2022 and the municipal Building Official, B & B Enforcement is responsible for enforcing these regulations within our municipality. Failure to obtain proper permitting prior to commencing work could result in additional costs, project delays and unwanted amendments to your project.

DO NOT PRUNE ELM TREES APRIL 1—AUGUST 31 EACH YEAR

To reduce the risk of Dutch elm disease, pruning of elm trees is prohibited throughout Saskatchewan each year from April 1 until August 31. Fresh cuts from pruning attract the beetles that can spread the disease, increasing the chance of an infection. Pruning remains an important part of regular elm tree care and is encouraged, before and after the annual ban period. Proper pruning helps keep trees healthy and better able to resist disease. The removal of dead and dying elm wood through pruning also helps to reduce beetle breeding habitat and control the beetle population. Prompt and proper disposal of the pruned wood is also essential to keep Dutch elm disease from spreading.

Provincial regulations also require commercial pruners of elm trees to have taken a recognized training program or be under the supervision of someone who has. Improper pruning techniques can contribute to the spread of many tree diseases, including Dutch elm disease.

For more information about the Dutch Elm Disease Control Regulations and safe elm wood disposal, contact 1-800-SASK-ELM (727-5356).

2025 DOG LICENSES NOW AVAILABLE

In accordance with the Municipal Dog Bylaw 02/20, all dogs that are kept within the Village limits are required to be licensed annually. 2025 dog tag licenses are now available at the Village Office. Please ensure to license your dog for the upcoming year.

License fees are as follows: All dogs \$10.00/year

Also, please note that when licensing your pet for the first time with the Village Office you will be required to complete a Dog License Application Form for Village records. Any person who licensed their dog in previous years will not be required to fill in this application as the information will already be in the database.

Also, please remember to clean up after your dog when walking them and do not allow them out to defecate on other property. This is an offence punishable by fine, in accordance with the Municipal Bylaw. Common courtesy and respect for others' property is expected of all pet owners.

Thank you for your co-operation

COUNCIL MEMBER CONTACT INFORMATION

Please be aware that any member of the public that wishes to discuss any municipal issue, policy or requires general information can contact the Village Office by telephone at 306-422-8471 or e-mail: villageofstlouis@sasktel.net. Administration will be the first point of contact for the Village.

If a resident wishes to correspond with any member of the St. Louis Village Council they should leave their contact information with the Village Office and the Mayor or a member of Council will directly respond to their concerns in a timely manner.

HISTORY IN PRINT—ST. LOUIS & DISTRICT 1924-1952

With each edition, the Community Newsletter will include an insertion from the book History in Print—St. Louis & District 1924—1952, that was printed by St. Louis Historical Society.

1944 Couple Wed Fifty Years

ST. LOUIS.—More than 300 people gathered in the Grain Growers' hall Monday evening, January 24, to honor Mr. and Mrs. Antoine Dubray, pioneer residents of the St. Louis district on the occasion of their golden wedding. Mr. and Mrs. Dubray's six children, including their three sons, Martin, Frederick and Ernest (Bud), and three daughters, Mrs. Wilson, Mrs. J. A. Sinclair and Mrs. F. Banks, were all present. The evening was spent in dancing with a short program and a presentation following a midnight supper.

The hall was appropriately decorated with purple, gold and green streamers. The dancing opened with an oldtime waltz danced by the bride and groom, later other members of the family and friends joined them.

For the midnight supper a long table was placed across the front of the hall. The honored guests and a number of their old friends were seated at the table. The table was decorated with artificial flowers and house plants. A four-tier wedding cake occupied a prominent place on this table.

S. A. Marvin presented Mr. and Mrs. Dubray with a purse from the community as a small token of the esteem in which they are held. Mr. Marvin commented on the fact that Mr. and Mrs. Dubray were married in the old log church at Halcro, since replaced with a frame building. He said that Mr. Dubray had resided in the community for nearly 65 years. He said that it had been his duty to make presentations at gatherings, but generally to bid the guest of honor a safe journey and a happy landing, but he was glad to say that this time the guests were remaining in the district. Mr. Dubray thanked his friends for their gift and hoped they would enjoy the rest of the evening.

A solo was sung by Mrs. A. Bond entitled "Fifty Years Ago." The entire gathering sang and Mrs. J. Potter accompanied on the piano.

John Beddome of Red Deer Hill paid tribute to Mr. and Mrs. Dubray as pioneer settlers and said he had known them all their lives.

A solo by Burke Boucher, entitled "Silver Threads Among the Gold," concluded the program. Mr. Boucher was accompanied by Mrs. Potter at the piano.

Mr. Dubray came from Montana to this district when he was 10 years old.

Lack of snow is preventing many farmers from hauling wood. Although a light fall of snow this winter makes bush conditions ideal for wood cutting, there are no roads to haul the wood on. Many farmers have had to discard sleighs and use wheels as the recent mild weather has left some roads bare.

Obituaries

Joseph Mercier

ST. LOUIS.—The funeral of Joseph Mercier, 41, of Zenon Park, who died January 20, was held from the St. Louis Roman Catholic church at St. Louis January 22 at 10:30 a.m. with the Rev. Father A. Carpenter officiating.

Palbearers were Carl Kusch, B. Cochet, J. Cochet, brothers-in-law of the deceased, and three cousins, Robert Cochet, Martin Fissier and Joseph Woderai.

Mr. Mercier had farmed in the Zenon Park district for a number of years but due to ill health had retired and was making his home at Fenton. Surviving are his widow and two children, Joseph and Josephine.

Octogenarian

ST. LOUIS.—Mrs. Napoleon Boyer of St. Louis celebrated her 80th birthday anniversary on Friday, January 14. She has been a resident of the St. Louis district for 33 years. She was born in Manitoba and came to St. Catharines, Sask., at the age of eight years. Her husband, Napoleon Boyer, died 24 years ago. They had eight children, six of whom are still living—Robert, overseas; Mrs. J. R. David of Shellbrook; Mrs. John Hogan, Meacham; Mrs. H. Kerry of Big River; Mrs. C. M. Musser and Mrs. H. Royer of St. Louis.

Mrs. Boyer still enjoys good health but her eyesight is poor.

Ratepayers of Glendale School District held their annual meeting in the schoolhouse on Saturday, January 15, Jules St. Arnaud presiding, and a proposal to establish a building fund was discussed and recommended to the school board. The superintendent, in his report, urged the setting up of a building fund by levying the tax in excess of current requirements, this fund to be used eventually in building of a new school.

Emile Fauchoux was elected a trustee.

Pioneer Celebrates Eightieth Birthday, Recalls Early Days

ST. LOUIS.—Thrilling but terrifying experiences of the old days as pioneers in the west were recalled by Mrs. Nancy Boyer who celebrated her 80th birthday January 14.

During the Riel Rebellion, Mrs. Boyer and her two small children were camped in a tent which was pitched on what was known as "No Man's Land." Bullets blazed all around but Mrs. Boyer and her children miraculously escaped. Her husband was taking part in the battle, fighting under Louis Riel.

Mrs. Boyer was born at Fort a la Corne in 1864. When not quite a year old, Mrs. Boyer, with her family, travelled by ox cart to Mickenass Hill. A few years later, the family again travelled by ox cart going to Winnipeg and some time after that, came to Prince Albert. Her father, W. Anderson,

farmed on land which later became the site of the Anderson Lumber mill.

The next move was to St. Catharines where Mrs. Boyer met and married her husband. After several other moves, the family finally settled at St. Louis where they have resided for the past 32 years. Mr. Boyer died 24 years ago.

Mrs. Boyer has one son, Robert with the Canadian Army overseas and five daughters, Mrs. H. Royer and Mrs. C. N. Musser of St. Louis; Mrs. J. R. Donald, Shellbrook; Mrs. H. Perry, Big River, and Mrs. J. Hogan, Meacham. Five sons and two daughters are dead. Mrs. Boyer also has 35 grandchildren and 25 great grandchildren, one of whom was born on Mrs. Boyer's birthday.

Mrs. Boyer enjoys good health but her eyesight is falling.

ST. LOUIS.—The annual meeting of the shareholders of the St. Louis Grain Growers' Hall Co-operative Association was held in the hall on Saturday afternoon, January 29, and was marked by the entry of a number of new shareholders into the association.

During the past year a number of shareholders have expressed a wish to transfer some of their shares to other members of their families. A directors' meeting held previous to the annual meeting, approved the necessary transfers and the new shareholders were allowed to take part in the annual meeting. Sixteen shareholders were present at the annual meeting.

Philippe Hudon, vice-president of the 1943 board of directors, occupied the chair in the absence of President S. A. Marvin. The financial statement was read by the secretary-treasurer, Mrs. C. D. Galloway.

Three new directors were elected to the board by acclamation as follows: L. R. Bond, Fredrick Boucher, Jr., and C. D. Galloway. Other directors on the board are: Philippe Hudon and J. M. MacLeod and Mesdames C. A. Galloway, C. D. Galloway, J. M. P. MacLeod and T. Miller. Three members of the board are elected each year.

Phone Company Has Annual Meeting

ST. LOUIS.—The Hoey Rural Telephone Company, which includes the former St. Louis company, held the annual meeting at Hoey on Monday, February 7, H. Begrand presiding, when the shareholders by motion recommended to the board that the special tax levy be increased to the maximum allowed by the act, in order to provide funds for rebuilding the system in the near future.

The meeting also recommended to the board that the switchboard operation hours be changed to conform with the hours operated by other district systems, this being done when subscribers on other systems had complained that they could not phone for the municipal doctor between the hours of 7 and 8 a.m., and 9 and 10 p.m. without paying long distance tolls.

Four new directors were elected to the board as follows: E. Fauchoux, E. Magnin, W. Petit, and A. Viala, and P. Boyer was re-elected a director. Other members of the 1944 board are F. A. Boucher, T. Miller, J. Potter and H. D. Smith. T. Miller was later named chairman; A. Viala, vice-chairman; L. A. Boileau, secretary-treasurer.

Co-operative Enterprises Outlined to St. Louis Meet

ST. LOUIS.—A co-operative forum sponsored by the St. Louis Homcraft Club and the St. Louis Wheat Pool committee was held in the Grain Growers hall Thursday evening, January 20, the first of its kind here and well attended. Speakers included L. A. Boileau of Hoey, Mrs. C. D. Galloway of St. Louis, R. Boyes of Domremy, Mrs. Peter Rindal of Domremy, Mr. Adams of Birch Hills and L. F. McIntosh of Prince Albert. Mr. Boyes presided over the meeting.

Mr. Boileau, local Wheat Pool delegate, told of the various things the Wheat Pool was interested in. He said the Pool made an annual grant to the University of Saskatchewan to assist in the establishment of junior clubs, supports the association for adult education, was interested in improving rural schools and concerned for the

health of the pupils. It was also concerned regarding re-establishing the members of the armed forces in civil life after the war. At the last annual convention the bylaws had been changed to give special recognition to farm women. The Pool supports the Saskatchewan State Medical and Hospital League, morally and financially, he said.

Mrs. C. D. Galloway gave a brief talk regarding the homcraft club telling of its objectives, co-operative efforts, projects and work during the war. In closing she thanked the community for its support of the club since it was organized in 1938.

Mr. Boyes spoke regarding consumers' co-operatives, stating that this year marked the centennial of such enterprises. He referred to the various co-operative ventures, refineries, machinery, stores, and a proposed wool co-operative. He told of the establishing of a consumers' co-operative at Domremy from a small beginning, the capital being only \$120 at the outset.

Mrs. Rindal spoke briefly on homemakers' clubs and how their organization had spread. Mr. Adams, Wheat Pool delegate from Birch Hills, told of the difficulty of getting people to attend Pool meetings and paid tribute to the homcraft club in taking the initiative in organizing the present meeting.

Mr. McIntosh spoke on State medicine, giving a brief description of the Saskatchewan State Medical and Hospital League. He told of its aims and said the sanatoriums in Saskatchewan were really a form of State medicine. He deplored the number of men rejected for military service owing to poor health and asked his audience to support the petition being circulated asking the Government to set up State medicine.

Other features on the program were community singing with Mrs. J. Potter at the piano, and two solos by Phyllis Miller.

Mrs. T. Miller moved a vote of thanks to all who had taken part in the program. The homcraft club served lunch at the close.

Weddings

Benoit—Glass

St. Alban's Cathedral was the scene of a quiet wedding Saturday, March 4, when Irene Glass, daughter of Mrs. A. Glass of Macdowall and the late Mr. Glass, became the bride of Gerald Benoit, son of Mr. and Mrs. E. Benoit of St. Louis. Canon W. S. Noble performed the ceremony.

The bride wore a navy suit with powder blue accessories and a corsage of red roses. She was attended by Miss Dorothy Glass who chose a beige suit and a corsage of pink carnations.

Mr. Roland Benoit supported his brother.

A reception was held at the home of Mrs. A. McNulty, following the ceremony, when approximately 30 guests were entertained. The bride's table was draped with a lace cloth and centred with a three tier wedding cake. The bride's uncle, J. McKay proposed the toast.

Mr. and Mrs. Benoit left for a visit to the southern part of the province, after which they will take up residence in the city.

Births

DODERAI—To Mr. and Mrs. August Doderai of Fenton, in the Holy Family hospital, April 7, a daughter.

or Georges (941-8620)

COFFEE TIME: Every weekday 8 to 10 a.m.

MESSAGES FROM YOUR CLUB COMMITTEE

1. February is closing its doors...thank goodness! Very cold temperatures and the colds, flues and pneumonias making their rounds reduced the number of people who were able to attend the Senior Center Lunch on February 17 and the Whist and Crokinole Party on February 19. For those who braved the weather, thank you for coming. For those who stayed home when sick, thank you!
2. Our **next Senior Center Lunch** will be held **Monday, March 17**, starting at 11:30 a.m. It will feature homemade soups with buns, pickles, desserts and beverages. A big thank you to all club and community members who volunteer (sometimes without being asked) to make these soups and desserts. Our lunches would not be the same without your creativity and generosity!
3. Our provincial **Walkathon** is set to begin on April 1st and end May 15th. It's an occasion to renew your commitment to physical activity and brag about it. Come to the center and ask for a sheet of paper where you keep track of the time you spend each day moving about in a variety of activities. Many thanks to our treasurer, Joan Boyer, who coordinates this activity for the whole province.
4. We will begin our **membership drive** in March. We had about 130 members this past year. The more members who renew or sign up, the more lobbying power we have to improve the lives of seniors. Fees are still \$10 a year.
5. **Birthday Greetings to Club Members Born in March:**
Robert Trumier, Susanne Boyer, Louise Hodgson, Betty Rancourt,
Joe Vermette, Maryse Williams, Georges Doderai, Roy Richard, Barbara Daniel

ST. LOUIS WEBSITE:

Be sure and check out the Village of St. Louis website. It has some great information about the Village, the businesses, a community calendar and much more. You will find it at www.villageofstlouis.com

Please note that the deadline for items to be submitted for inclusion in the quarterly Newsletter is the 20th of the month prior to publication. E-mail to: villageofstlouis@sasktel.net

SIGN CORRIDOR

Please be advised that the Village of St. Louis has been approved for an advertising sign corridor on the southeast side of the intersection to Provincial Highways # 2 & # 25, travelling north. Opportunities are now available for local businesses to advertise within the Sign Corridor. Any business or service club wishing to advertise in this corridor must be located within the municipal limits of the Village of St. Louis or within 10 kms of the Sign Corridor.

There is currently space for 20 advertisers at this location and advertising spots will be allocated on a first paid basis. Permit application is available from the St. Louis Village Office.

Each permitted advertiser will be required to provide the Village with a 4' x 8' advertising sign constructed of approved material (at their cost). The Village must give approval of all sign proofs before you have it constructed and installed.

Please contact the Village Office for further information.
