**Re: COVID-19 Coronavirus**

St. Louis Village Council would like to advise that the current global pandemic caused by the COVID-19 Coronavirus is being monitored very closely and that the health and safety of our residents and community is the utmost priority.

As such, the Village Office will remain open at this time to ensure that the daily business of the community remains uninterrupted.

For the health and safety of our residents and employees it is asked that all in-person business that needs to be conducted at the St. Louis Village Office be limited to emergency type issues only. Any regular business such as general information questions and concerns should all be done via telephone (office 306-422-8471) or by e-mail ([villageofstlouis@sasktel.net](mailto:villageofstlouis@sasktel.net)).

Payments on accounts can be made via on-line banking through Credit Unions or E-transfers with any financial institution sent to the village email address [villageofstlouis@sasktel.net](mailto:villageofstlouis@sasktel.net). Cheque payments can be mailed to Box 40 St. Louis, Sask. S0J 2C0 or delivered through the mail slot at the office door. It is asked that you consider making any payments to the Village by the above means as we would like to eliminate in-person payments of cash and debit for the temporary future.

Thank you for your cooperation in following Health Canada and Saskatchewan Health Authority directive as this health crisis is navigated.

St. Louis Village Council
